Hi Nora:

As promised, attached you'll find the draft QAPP for the sampling I'm *hoping* to conduct in two weeks. I know this is a short deadline, but perhaps you can take a look at it and give me some sense of whether or not there is any chance of finalizing it before September 22. I completely understand if you think I need to delay the sampling. I'm out in the field tomorrow, but will be back in Thursday.

Thanks for considering this request.

Best,

Eric
